### December

3 Villa West (regular meeting) Klamath Falls 12 p.m. to 4 p.m.

10 Senior Dance and Jam Shasta Community Center 12 p.m. to 4 p.m.

Mr. Don Bell took wedding vows with Elisabeth on October 29<sup>th</sup> -- District 1 supplied the music; we had a great turnout there. Congratulations Don, you old tiger.

Along about Oct. 20<sup>th</sup> thru 22<sup>nd</sup>, several District 1 members went over to Lakeview to the guitar/fiddle workshop. Irene Ruddock taught the fiddle class and Jerry Ruddock the guitar class. We want to thank Jerry and Irene for the fine job they did. My wife said she enjoyed the class very much. I didn't go to Jerry's class, as it looked like it was for beginners. There were several youngsters there learning the basics. I got to jamming with several of the other musicians, and tried to pick up a few pointers. Was glad to see Bob Huffman there, and between him and Larry McLain there is more talent than a fellow can pick up in a lifetime. Bob tried to show me he could play all the cords to most songs without moving his hand more than two frets. That went over my head real fast. Of course his fingers are longer, because I saw him stretch them over four frets. Mary Ann McLain was there every morning building coffee, making pancakes, eggs, bacon and biscuits and gravy. Needless to say we pigged out and to heck with the diets. Our thanks go out to all that brought their special dishes for the potluck, and, thanks to the kitchen crew, I didn't have to do any dishes. Oh yes, Larry ate all the banana cream dessert, which I had my eye on, but I wasn't fast enough to beat him to it. We made some good memories that weekend for sure.

Birthday wishes to Irene Ruddock on the 10<sup>th</sup>. Anniversaries this month to Phil & Shelia Fry on the 9<sup>th</sup> / Jerry & Irene Ruddock 18<sup>th</sup>

2	Jam	Lake County Senior Center	4-10 p.m.
9	Xmas Bazaar	Lake County Courthouse	9 a.m. 'til ?
11	Business Meeting		

Season's Greetings (Is that politically correct enough?)

Hope you all had a good Thanksgiving, and spent it with family or fiddling family. Lucky

for me, I can do both at the same time.

Snowbirds Roger and Jackie Germundson (District 7) stopped by for a couple of days to fiddle with us on their way down south, helping us play for the senior center. Thanks for the nice visit and musical help, too.

A week later, we had a visit from Lolita and Dale Colebank all the way - WOW - from District 8, and they lent a hand for our Fort Rock library fund dinner. Also helping out for that were Ed Mackenzie (District 3) and Jim Lancaster (District 1). We had a great time with them all, many thanks.

In December, the only extra gig we have is at the Xmas Bazaar, December 9. Be at the Lake County Courthouse basement at 9 a.m. Be prepared for an all-day extravaganza. We're still playing at the Lakeview Senior Center every Friday, and the nursing home dates are: December 12 and 26. Don't be surprised if the one on the 26th gets moved.

December 10th is Merle Shepard's birthday, and three days later is mine, so Happy Birthday, Merle. Most everybody is doing well, health-wise. Shorty Stone had eye surgery, and is looking better than ever (get it?) Rosa Lee McLain had two stents put in a couple of weeks back. Now, if she felt any better, she'd have to hire someone to help her enjoy it.

Our next jam will be a potluck affair, and it's on December 2 at the Lake County Senior Center at the new time: 4-10 p.m.

By the way, what kind of music do you suppose the Pilgrims liked to listen to? Answer: Plymouth Rock

The Fruitdale Grange jam in November was well attended by all. Good attendance at the meeting, and a great meal provided by our many good cooks.

We voted to buy a new trailer, and Richard Ferguson has checked out the possibilities. Looks like our sound system will travel in style (at least dry and safe!). Thanks, Richard!

A special award and certificate was given to Monica Drake, our kitchen manager – she not only gets food served promptly, but does great clean-up!

We learned of the death of Marie Mickey – she and Huck have been faithful workers for many years. We were also informed of the death of Hilde Hartinger. She and her husband Denis kept the dance floor active. Our sympathy goes out to the families.

Jim Summers was in the hospital, now home, but unable to get out and play. Don Johnson is recovering from shoulder surgery, and sometimes goes over his doctor-imposed limit of playing only ten minutes at a time (I think it was 14 minutes at least!) Peggy Hudson had knee surgery on Nov. 14. “Mr. Shorty” has gone in for more tests and treatment. Johnny Mack is recovering from burns on his arms and abdomen from a pressure cooker accident. We wish all these folks a return to good health and music making!

We played for the 4-H dinner at the Fairgrounds, and they not only fed us but gave us a generous donation, asking us back again. It was fun to see those young teenagers dancing and clapping to the music! Our gig at the Country Club for the Christian Women’s Group was well received, and even got some of the ladies “do-si-do”-ing to the tunes! Playing on Veterans Day at Royal Oaks was well received – especially Grumpy’s great patriotic song/poems!

The Wednesday eve jammers group continues to grow, and more and more are joining OOTFA and coming to the jams. It's a non-threatening arena to learn the old tunes, and we really have a lot of fun! Most of our instruments are loaned out now, but we can always work something out for a new musician.

We're still playing many of our regular gigs, but there are changes and additions for the holiday season. A calendar of events as well as news and tunes is on our website [www.OOTFA4.org](http://www.OOTFA4.org). Check it out!

27	Jam	Green Acres Grange	1-4 p.m.
----	-----	--------------------	----------

At our jam at the North Fork Grange on October 21, we had 17 people signed up to play. There was a very small audience -- but we had fun anyway.

On November 18<sup>th</sup>, we gathered at the North Bend Senior Center, laden with food, and could not get into the building! The lady with the key was ill, and gave the key to someone who forgot! The North Bend police even tried to help, and called six "emergency" numbers they had, but couldn't find anyone home! Larry and Sharon Gallagher, just back from Ireland, graciously offered their home as an alternate site, and several of us went there and ate dinner and jammed. We really regret being unable to visit and play with the good people from near and far who went back home due to the mix-up. The Senior Center apologized profusely, which didn't change the outcome of the day's events. Later on we played Myrtle Point Cattlemen's Assn annual meeting from 7:30-9:00 p.m. Thanks to all who came over and played -- it seemed as though we sounded better than usual !! It all made for a long day of music.

There will be no regular District 5 jam in December. There will be a first Friday jam at Langlois on December 1st , and a second Friday Farwest jam in Bandon on December 8th. There are also a whole bunch of Christmas activities here and there

#### January

6 State Quarterly Jam Adult Activity Center, Springfield 10:30 a.m. to  
4 p.m.

At the October meeting and jam, it was decided to purchase a condenser microphone. This was done, and the new microphone tried out at the Thanksgiving jam.

The Thanksgiving Jam at the Plumber's Hall was very successful. The food was wonderful and the music was great. There were more than 60 people present, as that's how many seats there were in the dining room, and they were all full. There were several new faces and potential members. Les and Peggy Tucker, from District 8, joined us.

What a treat!! This jam was the first outing for the new condenser mike; there were several bugs to work out of the system (feedback problems). After the jam, Joe Moyle worked to solve the problem, which seem to be fixed.

Oral Robbins sent the following:

"On behalf of the American Cancer Society Relay for Life, HALS TEAM, we would like to thank all who participated in this very successful "JUST FRIENDS OPEN JAM/DINNER FUND RAISER" ON October 29. The net proceeds from this event, deposited with the American Cancer Society, were \$1,026.54. The subtotal from contributions (passing the hat) and the dinner were \$1203.48, minus the expenses for the dinner, \$176.94, left a total of \$1026.54. I want to personally thank the OOTFA for their participation and article about it in the Hoedowner."

Coming up on December 3rd, the Christmas Jam will be at the Lebanon Moose from 10:30 a.m. to 4 p.m. The lodge provides a great dinner, without charge, and the fiddlers provide great music. The hat will be passed for

donations to divide between the Moose Lodge and the fiddlers. There is a rumor that Santa will appear. Directions: From I-5, take Exit 228 (Highway 34) toward Lebanon. Go through Lebanon toward Sweet Home. The Moose Lodge is on the southeast edge of Lebanon, on the right, about a mile past Wal-Mart.

Coming up on January 6th is the OOFTA Quarterly Meeting and Jam, which is potluck. It will be at the Springfield Adult Activity Center at 215 West C Street in Springfield, OR, from 10:30 a.m. to 4:00 p.m. Directions: From I-5, take I-105 east toward Springfield. Get off at the City Center/Pioneer Parkway exit. Turn right, and follow Pioneer Parkway to C Street. Turn right again. The Center is at the end of the street.

Don't forget the other opportunities to jam: the first Friday evening of the month at Central Grange and the second Friday at Crow Grange. Then there is the second Tuesday Jam and potluck at Central Grange from 10-4 with Bernie Charlebois and the fourth Thursday jam and potluck at Jasper Grange organized by Wayne Carpenter from 10-4, although in December it will be on the 21st.

Birthdays this month: Thelma Salley, 12/1; Mark Carmickle 12/6; Rick Dobson 12/10; Marlene Chatoian 12/14; Betty Hawkins 12/19; Lloyd Shriber 12/23; Della White 12/24; Oral Robbins 12/25; Richard Marino 12/27; Ellen Strelow 12/27.

Our October jam at McMinnville started with a back up fiddle workshop ably taught by Marie Bailey. We had a great program with 41 musicians! Special members present were several of our young scholarship recipients. Shawnee, Ronnie and Steven Doman from Woodburn, Jacob Nelsen from Salem, and Brian Stiner from Aurora. We were also happy to have Paige and Caid Sanders from District 6. All the kids played well. We hope they'll all come often.

November 1st, eleven of us played at Capital Manor in West Salem. We got lots of positive comments. One person was amazed that we could play so confidently with no music to look at.

November 11th, was a change of date. The change happened after the Hoedowner news was sent in. From the number of people attending, it looks like the word reached everyone. At least we hope so. Sincere apologies if we missed anyone. Good to have Lee and Ruth Jones there. As always, we appreciate our District 6 and 7 friends who joined us.

Eileen Walter taught an excellent workshop with 16 in attendance. We learned Tombigbee Waltz and the "class" played it during the jam. Les Tucker taught a guitar workshop at the same time. It was well attended, and very helpful to back up players.

Congratulations to Gayle Clarity for first place in Senior Senior Division at the Western Open Fiddle Contest.

Jack Bryant is doing great after his open heart surgery. After some follow up tests, he has a clean bill of health. Jack and Darlene say thanks for all the cards, calls, and other expressions of concern.

Wally Case had surgery and missed the November jam, but he's doing okay. Wally will be taking over the treasurer position for District 8. Chris Lang will continue as secretary and will handle the scholarships. Thanks Wally!

Our December Jam will be Saturday December 16. We decided the big Holiday Dinner was a lot of work for the same few people, so we're having a regular potluck in December. If your last name begins with A thru M, please bring a hot dish. N thru Z bring salad or dessert. Of course you are welcome to bring more than one dish. I don't think anyone has ever gone away hungry from a District 8 potluck. Y'all come and join us!

Everyone stay healthy in this wintry weather. Hope you all had a good Thanksgiving and MERRY CHRISTMAS!

10 Christmas Dinner and Jam Senior Center

18 Ashley Manor

Plans have been made for our holiday dinner to be held Sunday December 10th at the Senior Center, which is our monthly potluck and jam date. Turkey and potatoes will be provided by the club and members are asked to bring potluck dishes to fill out the meal.

We had several guests recently who have joined us for jams. Joan Suther not only bagged her elk but brought her dad Dan from California and Scott Burnham of Des Moines Iowa home from hunting camp for a Friday night jam. Bruce Bailey was at a recent jam and we hope to see more of him and his wife now that he is back working in the community. Darrell Smith joined us for a couple of numbers at the Aspens and also did some singing at our November Senior Center jam. Ivan McDaniel and wife "Punk" were down from John Day and Ivan played a new waltz he had written for his wife. Another new face was Jerry Cartwright, who is working in the area for a while and plans to attend more jams while he is here.

Janet Brayman deserves special thanks for being the only player to show up for the program at Ashley Manor in October. Our next Ashley Manor gig is on Monday, Dec. 18th. Aspens will be Friday, Dec. 8th.

We had a spattering of snow; so, shortly after Thanksgiving, our "snowbirds" the Teagues will be heading to Quartzsite Arizona and warmer weather. Treasurer Rose Johnson will be looking to collect your dues soon so you will not miss any of the Hoedowners.

Thank you all who brought the delicious food for the Thanksgiving potluck. Those of you that didn't make it for the potluck and jam, missed out on some good food and good music. We had many visitors that listened, and many dancers. Everyone had a great time. We also have a new member, Vern Ludwig, who graced us with his beautiful fiddle playing.

From the Prez:

Fall is in the air and the leaves are falling but there is still a lot of music being played. Our next event is in Springfield, January 6th at the Willamalane Center. Be thinking about finding another place for this meeting as I understand the rent is being raised.

It is nice to hear some of the Districts are putting on workshops. I think that is a great idea as it may help get new and younger members. Our organization as a whole really needs more fiddlers and guitar players.

When you put on workshops, try to keep something going for the students afterwards so that they will keep interested in playing. It is especially a good idea for the beginners, as from experience in District 1 some years ago, we put on a few workshops and then stopped and so did the beginners. I am sure that there are good players in each district that can continue to help them.

So many fiddlers play by ear but learning to read music is a great advantage; learn both methods, and you will have the best of both music worlds.

Your President, Irene Ruddock

From the Editor Emeritus:

A young lady up in Washington is doing genealogical research about her great-great grandfather who was an old time fiddler here in Oregon. She went to "Google" typed in "Cliff Buker" and came up with the information I wrote about last month - about finding an old tape with Cliff Buker and others emceeding a jam in Waldport, March 19, 1967. She called Joe Moyle and left her request on his answering machine. Joe wrote to me. I called the young lady to tell her that she had hit a gold mine. The next day I mailed her a CD so she could hear her great-great grandfather talking and playing. I sent her newspaper articles about him. Also a poem about him. Articles written in memory of him. A story written by his widow. And more. I think I enjoyed sending the material as much as she did receiving it. Cliff is one of the most important people in the early history of the Oregon Old Time Fiddlers Association.

And a great big thanks to Clarence Medack from Mount Angel for his very, very generous donation for the 2007 state fiddle contest. Clarence has been one of our most faithful contributors over the years. Before his wife passed away, she contributed. Since her death he has continued to support us in her memory.

The other day my attention was called to a calendar put out by the Oregon Agriculture in the Classroom Foundation. The good news is that at the bottom of July, 2007 it says "Joseph Haddock Grade 4 \* Teacher: Mrs. Janet Haddock Witness Tree Academy, Pilot Rock. Joseph's picture was chosen for one of the calendar pictures. He plays the fiddle well, too.

Lew.
