Greetings From your President

Happy New Year!! I hope that all of you are keeping to your New Year's resolutions.

At this moment we are snowed in and I as look out my window I can see three inches of snow on the dunes and the beach!! Hopefully this will not be a portend for the weather the rest of the winter. That could put a dent in my jamming time.

As I write this note, I am reminded how fortunate we all have been to have known and played with those members whom we have lost this past year. One of them was a good friend, teacher and mentor – Norm Nash. In his honor we are setting up the Norm Nash Memorial Scholarship fund. This fund will be available to send needy students to such programs as Fiddletunes, the OOTFA Fiddle Camp, pay for fiddle lessons and help fund music workshops.

To contribute send a check to our State Treasurer, Sharon Gallagher made out to OOTFA with the note "Norm Nash Scholarship Fund"

Those of you who are fortunate to live in Portland will have the opportunity to participate in the 10th Annual Portland Old-Time Music Gathering from January 14-18, 2009. There are bands, dances, workshops and jam sessions galore.

Here you can hear some real old time

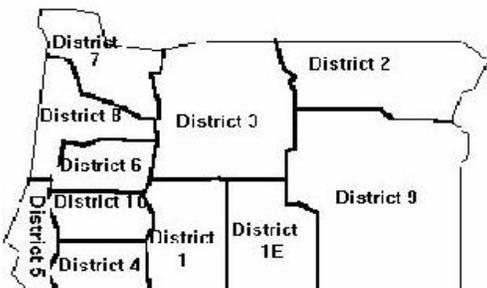

Appalachian string-band music and hot fiddling. This is not affiliated with OOTFA, but attend if you can.

Many of you have asked about obtaining more fiddles. If you are interested please let me know. The prices for 2009 are estimated at \$35 each, I will deliver them at the convention.

For those of you who have access to the Internet, District 4 has an updated web site at HYPERLINK "<http://www.ootfa4.org/>" www.ootfa4.org and have listed many wonderful resources for old time fiddle music on their links page.

And just a reminder for those who have forgotten to pay your dues. They were due by the end of December, so some members may no longer be getting their Hoedowner. Please send your \$20 check to your district membership chairperson to continue as a member for 2009.

Welcome to our new members: Lorene Bliven and Carol Christensen. When you see them at our next jam make them feel welcome.

We started our jam on December 7 with patriotic music. Our crowd was small, but enthusiastic. If you weren't there, you missed out on some very good old time music. Betty Chapman from District 1E is getting to be a one of our regulars and we appreciate her coming so faithfully.

This reporter missed out on the Christmas Party on Saturday, December 13, but I am sure whoever attended had a great time dancing and listening to GOOD music and participating in the wonderful potluck luncheon. Thank you Ron and Annie Odegard for being responsible for the party.

Bob Says:

"Earlene and I apologize for not attending the December 7th jam and the Christmas Party, something we have never done in the past. We always enjoy the jams and especially the Christmas Party and the comradery of all the members, but because we had an offer too good to turn down, as an all expense paid trip to Las Vegas to attend the National Final Rodeo where all riders who rank number one in the world standing in each event compete to see who will be the world champion. It is a 10-day event. What a show!!! So I decided to turn the business of District 3 over to our very capable Vice Chairman, Jack Kerr and just took off. You know, with all the gloomy forecasts and the economy what is and the world situation not all that good, there is still something we can do for enjoyment and that is to attend an "Oregon Old Time Fiddler" event. You might hear some old time music that came across the plains with the covered wagons. You will certainly hear some fantastic fiddling backed up by the best musicians anywhere. All for just \$20.00 a year. You can't beat it. So if you would like to be a part of this great organization, and enjoy the benefits, please pay your dues. Every member is important to us and we invite you to come and take part in the business of the District as well as the jams.
I hope everyone enjoyed the holidays and everyone has a Happy and Prosperous New year!!!"
May God bless those who are sick or have lost loved ones. Happy Birthday/Anniversary to all this month.

3 Jam Eagle Point Grange

February

7 Jam Fruitdale Grange, Grants Pass

March

7 Jam Live Oak Grange, Rogue River

A cold and foggy day in Medford town, but at Roxy Ann Grange it was a feast. We had our annual turkey and ham dinner, with such great side dishes – no one went away hungry! –and those desserts!! A special thanks to Judy Lyon who cooked the turkey with fixin's, and Bea Johnson who did the ham.

A short business meeting filled us in on the many gigs we have this month. We voted to give \$500 to the State Fiddle contest. Several folks are planning to go to the quarterly meeting in Roseburg – it's always fun to see and play with the folks from other districts. The drawing for door prizes (lovely poinsettia plants) brought many smiles! Thanx to Lola, for getting them for us.

We had eight fiddlers and a good contingent of other instru-

ments, so the music was great. Lots of dancers, too. Len Ferrara, program director, kept the program on track by doing the announcing and reminding folks to be on stage when it's their turn. It was good to see Sheri West and hear her great tunes, in spite of just getting out of the hospital being treated for a spider bite.

We've had a very full schedule this month, even though nursing homes are really feeling the pinch of the economy. Our gig at historic Hanley Farm in Jacksonville was postponed because of the impending storm (that didn't materialize) but we were rescheduled. Also played for the Masons in Grants Pass.

We're glad to have Bob Shafer playing with us again following a shoulder injury. Seven of our fiddlers played the violin (really!) for the Feast of Carols at the Church.

The OOOMPA (Only Occasional Organized Methodist Philharmonic Association) gives many of us quite a challenge, but everyone did great! We also played a couple "fiddle tunes" with the rest of the Jammers helping out, and the audience loved it all.

If you haven't renewed by the end of December, you won't get in the state directory, so get those memberships and renewals in now!

Beat: What music students do to each other with their musical instruments. The down beat is performed on the top of the head, while the up beat is struck under the chin. Keep the beat!

It is snowing rather heavily for this area this evening, and as the song goes, it's beginning to look a lot like Christmas. Hope it doesn't get so deep that Santa can't get through to all of you and you will be able to spend the holiday as you have planned.

There will be a district meeting at 11:30 a.m. preceding the monthly jam on January 17. Along with other business, a nominating committee will be selected and election of new officers will follow in March. Those attending are asked to bring snack foods for lunch.

Again we are saddened by

deaths in the group. Norm Nash's funeral was held in Florence in early December and was followed by a memorial service in Portland the next day. Norm and his wife, Kathy, were long-time members of District 5; he had been one of the featured fiddlers at the state convention. Kathy had been secretary-treasurer of our district and both were very supportive of all the district activities until his health no longer allowed him to participate.

A memorial service was held in Coos Bay for Nancy Davis on December 6. She was the wife of Johnny Davis, a guitar player and singer who has been a member of

District 5, off and on, for several years. Our sympathy goes out to the families of both these people.

Best wishes to all of you celebrating birthdays, anniversaries and other special events in your life. Hope we can get a list together of who is celebrating what and when so we can identify you each month.

Hope that your Christmas was a merry one and your New Year will be happy and prosperous.

Friendship is the golden thread that ties all hearts together.

Well, here it is December again and another year nearly over. It has been a great year for District 6. We have had good attendance at all of the monthly jams and meetings, including our December 7th Jam at the Lebanon Moose club. We had 28 musicians sign up for that one, including Lew and Alice Holt, and Don and Ruth Loring, who we haven't seen for a while. What a great bunch our old time fiddlers and pickers are. The Moose Lodge again served a delicious meal. Looking forward to next May when we go there again.

December like November has been quite busy for the district. Many gigs at nursing homes and other venues A great big thank you to the ladies and men of the various granges and venues where we hold our meetings and jams for coming and opening the buildings and helping where ever they can. Also a big thank you to all the members who have jumped in and helped set up and take down the sound systems and take care of the district paraphernalia. The fiddle classes continue to be a big success as well as being a lot of fun. Ila Mae is to be com-

mended for her efforts, helping these people who are endeavoring to learn the fiddle better Don't forget the work shop being conducted by Rudi Booher on January 31 at the Plumber's Union Hall, 2861 Pierce Parkway, Springfield. The morning sessions will be for novice fiddlers, and the afternoon sessions for more advanced fiddlers. The novices will need to able to play scales and simple tunes. The cost is \$15 for OOTFA members, and \$20 for non-members. Only two spots remain in the advanced session. These sessions are for participants only as space is limited. Contact Darla Knudsen for additional information.

Again we had one of our members, Ken Luse, get his picture in the paper, on the front page no less, with the skull of a very dead beaver. Hey Ken, you could have mentioned the fiddlers!

We also had four of our members who have formed a group known as "Just Friends" perform on the "Emerald Valley Opry" again this month. They seem to be well received.

Long Tom Grange, the site of the February jam and potluck, is a new location. The grange address is: 255855 Ferguson Road, Junction City. To get there, go north, through Junction City, on Highway 99; turn left on Highway 99W toward Monroe. Turn left again on Ferguson Road a short distance later (there is a Long Tom Grange sign), and go about five and one-half miles to the grange.

Sometimes we are short handed at some gigs, so if you can come and play at any of these, let Joe Moyle know.

From the Editor Emeritus:

For many years Norma Medack sent us a check for a donation to the fiddle contest. She was a great supporter of fiddling and our association. She passed away several years ago but Clarence Medack still sends a nice check as a contest donation in memory of his wife. Thanks a million Clarence.

Those of you with email received my updates about Norm Nash's passing. There was a service in Florence and another one the next day in Portland where he and Kathy had lived before they moved to Florence. Both services were fine tributes to Norm. We are proud of him both as a fiddler and to have had him as a friend.

If you have an email address and don't get my "OOTFA

updates," it is because I don't have your email address. If you don't get them and want them, please drop me an email so I will have your address. I write about cancellations, deaths, and other pertinent things and try not to write too often to keep them worth your time.

Another year has gone by. Here's wishing everyone a great 2009!

The Holiday Dinner in November was a great success. It was prepared by the Dallas High Catering class. Our total bill for the turkey, ham, dressing, potatoes and gravy came to \$330.00. No district funds were spent as the following people donated private funds. Thank you to: Dale and Betty Emery, Jack and Darlene Bryant, Jerry and Donna Janzsen, Ray and Marie Cunningham, Les and Peg Tucker, Bob and Marie Bailey, Lew and Alice Holt, Darwin Wattles and Norm McGrew. They wanted to show their appreciation for living in such a great district.

Dinner was followed by a good jam with thirty signed up to play and/or sing. We always appreciate visitors from other districts!

Both Dale and Vern Smith are on the road to recovery. Dale had hip surgery in October and Vern had heart surgery in November. He had 5 by-passes! Get well so you can play music!

Salem puts on a Holiday Market at the Fairgrounds in December. So what happens if it snows? The show goes on! A small group played for two hours on Sunday, December 14th. As space was limited, we didn't open it to all. We netted a check for \$150 plus \$25 in our tip jar. Lots of nice comments, shoppers dancing by, tiny children watching intently, even teen agers dancing! Fiddle music just seems to speak to people. One lady told me her grandfather, Eldon Hartley, had been a fiddler, and she thanked us for playing tunes she hadn't heard for many years. Shortly after we got home, the snow started again, piling up several inches. It was a good day!

At this writing (December 16) it looks iffy whether we'll have our District jam on the 20th. Snow, cold, ice forecast for the rest of the week. I hope we're back to normal weather as you read this.

Dates for the next couple months. Mark your 2009 calendars. Saturday, January 17th is

our regular jam at McMinnville Senior Center. Jim Hockenhull will be teaching a fiddle workshop at 10:30 AM. Brown bag lunch at noon with sign up jam from 1-3:30 PM.

Saturday February 21st. Jam at McMinnville Senior Center. Come early for informal jamming. Brown bag lunch. Sign up jam from 1-3:30 PM.

McMinnville Senior Center address is: 2250 NE McDaniel Lane, McMinnville, OR 97128 (503) 435-0407

It's hard to believe that district election time is coming up soon. Be thinking of potential leaders for the district.

If someone tells you they didn't get a January Hoedowner, have them check to be sure they paid their dues.

All the best for 2009!

Janet Brayman hosted a jam after Thanksgiving so her folks, a brother, aunts, uncles and cousins could enjoy our music and play cards and games with the non-musicians. Janet is the president of the Chamber Music Society board and was the concert chairperson this year-another fabulous music presentation of orchestra, chorus and bell choir. Walt Cooper put in extra time as sound man for the Xmas parade held December 11. Dona and

Dennis Townsend bring a mike for our shows at Aspen, which the residents really appreciate.

Former member Helen King O'Claire is now living in Witchita, Kansas. I stopped at one of their music festivals on one of my trips east and took in a show featuring Bippi Gambetta who is a Taylor guitar clinician. Fabulous show.

We had a nice crowd for our holiday party at the Senior Center. Delicious food and a fun time. Thad Geer came and played mandolin with us and drew the first poinsettia door prize. Others Walt Cooper also got a poinsettia; he gave it to

Marianne Andrews, who played several numbers as well as doing lots of dancing. Rose Mody Johnson, Edie Koneg and Jackie Drinkwater were the other lucky poinsettia recipients.

A couple of police officers dropped by, and did the drawing for us, and had a quick bite to eat.

14 District Jam and Potluck Riverdale Grange
11 a.m.

Despite the snow and rain, there were quite a few at the Christmas potluck and jam. Loren Osborn, from District 5 was there, played his fiddle, and had a good time. Thanks to everyone that brought the good food, and to the visitors and guests. Many of them danced. Some had to leave a little early because of the weather.

There were many birthdays and anniversary's in December, so

hope everyone had a good one.

Hope everyone that is under the weather will be well and out and about soon.

We played at two nursing homes and two retirement centers this month.

January 10th will be the state meeting, potluck and jam at Riverdale Grange in Roseburg. Don says the doors will open around 9 a.m., with coffee and

donuts to follow. Then the meeting, potluck and jam.

Starting February 14, we will have our regular jams at Riverdale Grange, the second Saturday of every month. There will be a district meeting in February at 11 a.m., potluck at noon, and jam at 1 p.m.

Hope to see you all there.
