

Tune of the Month -- Waverly Two-Step

This tune was composed by Canadian fiddler Graham Townsend. The version presented here, which approximates the way it is played by District 5's Loren Osborne, is good example of how tunes change with time. A transcription of the tune as played by Townsend can be found on the Prairie Mountain Fiddlers website: calfolk/tunes1/tunes-pmf.htm

WAVERLY TWO-STEP

(A) KEY OF D

(B)
