

# 2025 OOTFA REGISTRATION FORM FOR HOUSEHOLD MEMBERSHIP

## OREGON OLDTIME FIDDLERS' ASSOCIATION – WHAT IS “OOTFA?”

Our Purpose is “*To promote, preserve and perpetuate Old Time Fiddling and Old Time music. To encourage everyone, especially young people, to play the fiddle and other acoustic stringed instruments and appreciate Old Time Fiddling and Old Time music. To provide regular times and places to meet to play this kind of music.*”

There are all levels of acoustic musicians dedicated to playing and preserving traditional American Fiddle music. The music ranges from pre-American Revolution to more contemporary contest and blue grass styles including the sounds of Scottish, Irish, Cajun French Canadian and other ethnic traditions.

## WHO CAN JOIN?

Anyone can belong to OOTFA... non-residents of Oregon and people who don't play a musical instrument but want to support OOTFA and listen! While the name says fiddlers, other acoustical instruments are welcome including: guitars, banjos, upright bass, mandolins, dobro's, harmonicas and a few others. We have BOTH musicians and non-musicians. The musicians range from beginners to accomplished musicians.
